ABSTRACT

This book seeks to provide an account of general and specialized sources, in print and non-print formats, that comprise the bibliographic and textual structure of federal government information. This particular edition endeavors to update and broaden discussion of government information available electronically via the Internet. Chapters are: (1) "Public Access in the Electronic Age"; (2) "Government Printing Office Programs and Services"; (3) "Depository Library System"; (4) "General Catalogs, Indexes, Bibliographies, and Selected Reference Sources"; (5) "Legislative Branch Information Sources"; (6) "The Presidency"; (7) "Administrative Law: Regulations and Decisions"; (8) "Legal Sources of Information"; (9) "Statistical Sources"; (10) "Technical Report Literature and Related Research Sources"; and (11) "Geographic Information Sources." A personal name index, a title/series index, and a subject index are included. (BEW)
